

COVID 19 Update #2 - March 17, 2020

'Please bring drinks bottles to class'

We continue to monitor the COVID 19 situation as it develops. As an additional measure to reduce the risk of spreading the virus, we would ask all children attending gym to bring their own drinks bottle to class.

The gym drinking fountains will be switched off as of Wednesday 18th March.

As a matter of hygiene and risk to others, any water bottles left at the gym will be disposed of at the end of the day. We recommend you label your bottles with a name and contact phone number.

Thank you for your understanding and co-operation.
