

### **CSG COVID 19 - UPDATE #3 - March 18, 2020**

We would like to welcome Gymnast Isabella Brett, Coach Evgueni Indioukov and CEO Avril Enslow safely back to New Zealand. The Gymnastics World Cup series that they were all attending in Baku and Doha was cut short due to the current COVID 19 crisis. All three are now at home and will be in self isolation for 14 days, per government guidelines.

#### **Reducing numbers in the gym**

Further to our advice on dropping children off at the gym, we would like to clarify this does not include Pre-School classes; these will remain parented. For all other classes we ask that, if you are able to, drop off your child/ren outside and collect them from outside the gym at the end of their session. This is not compulsory, and you are welcome to enter the gym if you need to. Please use the hand sanitizer provided or wash your hands on entry.

#### **Recreation Gymnastics Skills Testing**

For our recreation gymnastics members, we have had several parents concerned about missing out on receiving testing cards if they choose not to enter the building. Please rest assured children will be sent home with these and your parent portal will also be updated with the results of the testing.

#### **Cleaning and Risk Reduction**

Our efforts to keep the gym clean have intensified and we have a strict cleaning roster to target high traffic areas and those that pose higher risk such as door handles, railings, and reception. We will remind you of our efforts to reduce risk in the gym by removing the communal water fountains. Please ensure your child has their own water bottle for their class.

#### **Autumn Awesome Classic**

Following current government advice we hope that the Autumn Awesome Classic can still go ahead, however we are planning changes to the timetable and structure of the day that will reduce risk and minimize numbers in the gym at one time. These will be communicated in due course. Given the situation is changing daily we will continue to follow official advice and will be prepared to postpone or cancel the competition at any time.

#### **Cancellation or Closure**

Whilst there are no immediate plans to close our facility we are planning for every eventuality. Please rest assured that if we are required to close, fees will be credited for any missed classes.

#### **Term 2**

Given the uncertainty of Term 2, we ask that you re-enroll into your chosen class as normal but withhold payment until closer to the start of term. We will keep you informed as to when we would expect those payments to be made.

Thank you for your ongoing support during this time.
