Please note that this timetable is slightly different to the provisional timetable, with session 2 starting 30m earlier, and sessions 3-6 starting 1 hour earlier than provisionally scheduled.

Please ensure that your athletes are aware of these changes. We understand that this may impact some athlete's ability to compete, so please advise of any withdrawals if notified.

A judges meeting will take place at 8:10am in order to get judges situated and ready to go by 8:30am.

Prizegiving should take place for all sessions, but may take place in a separate room upstairs if the competition is running behind schedule.

Sessions 1, 2, 3, and 4 will not run ahead of schedule; Sessions 5 and 6 may start up to 30 minutes ahead of schedule. Athletes for sessions 5 and 6 will be allowed to enter the gym no more than 30 minutes prior to their session starting, and will be asked to wait in a separate room until they are able to enter the competition area.

Athletes who have not been entered by clubs will be able to enter on the day, but CSG would appreciate being informed as soon as possible if clubs find out that another athlete is intending to compete.

Clubs will be billed for all competing athletes after the competition has been completed.

Competition Cards would be appreciated by Friday afternoon for any clubs/athletes who have them available.

We look forward to seeing you this Saturday!
