

6th November 2023

CAREER OPPORTUNITIES, casual, part time and fulltime.

Are you an amazing coach and leader? Are you looking for a career change or to start a part time or full-time career in the sports industry?

Christchurch School of Gymnastics (CSG) prides itself on having the highest quality staff to deliver our gymnastics programmes to the community. CSG is looking for people with the X Factor!

Vacancies are now available for committed, motivated, enthusiastic people who have initiative and are comfortable to work over a range of our competitive and recreational and programmes. We wish to attract coaches who are passionate about helping kids explore their movement potential. Previous experience delivering movement programmes for young children is a plus, as is a dance or sporting background however training will be given for the right person. Assisting in running events as well as experience in coaching and managing programmes for special needs is also a plus.

Casual and Part time hours are available in all our programmes.

CSG pays the living wage to those adults over 21 up. Qualifications, responsibility, and experience is also rewarded. Vacancies exist for coaches in our daytime programmes as well as afterschool and weekend classes.

A full-time position is also available.

1. For a person seeking to forge a coaching career in the sport. We need a WAG coach working with gymnasts from elementary up to international level. You will be the leading coach for beam and floor apparatus and in charge of dance. The coach must have Gymnastics NZ coach qualifications or equivalent. A minimum of 6 years' experience as a senior gymnast or 4 years working with competitive level gymnasts is required. Experience working with children is required and a related tertiary degree is desirable. Dance and choreography skills are a bonus. Salary range \$50k to \$55k pa depending on agreed number of hours, experience and qualifications.

This is a 6 day a week position and full-time of between 32 to 35 hours per week. Please email for more information.

These positions are based at CSG's own facility at 38 Mark Treffers Drive, QEII Park, Christchurch and require a child safety certification and a clean police check.

CSG offers gymnastics and related classes for all ages and abilities and run classes from toddlers through to our competitive team and above.

If you are looking to work with a fantastic team of people in a fun hard-working environment, then please contact us for more information.

Applicants for positions should have NZ residency or a valid NZ work visa. Applications or for more information on these opportunities please email on hr@chchgymnastics.co.nz

Opportunities are available now so please contact us.
